COMMITTEE REPORTS: The **Directory Committee** report was given by Nancy Reider in Bob Denihan's absence. The proof reading has been completed. The Calendar is as completed as possible. The new constitution will not be included with this printing of the directory.

The **Citizen of the Year Committee** currently has 5 members. Rosemary Jones has agreed to meet with us as we begin planning this year's event.

The **Constitution Committee** report was given by Gary Hunter. He explained all of the changes that were noted in red ink (indicating a wording change as opposed to a major change in concept or procedure). The Secretary read changes suggested by members not in attendance. The changes in red and other spelling and grammar changes will be made and will become revision 3. Next month, the changes made in blue will be discussed and the vote on the constitution might occur in May.

The first meeting of the **Festival Committee** will be held soon.

The board of education is seeking community input to help resolve this upcoming problem. For those of you who were unable to attend this chamber meeting but would like to see this presentation, please check the Grand Valley Schools website for information on future meetings.
